

## College Campus Starter Questions

Here are some questions you can ask during your college visit:

- What is the average class size?
- What is your typical day like?
- What are the different clubs and activities I can join?
- What are the different living options on campus?
- What percentage of students live on campus?
- Where is your favorite place to study?
- What do you wish was better at this school?
- What do most students do on the weekends?
- How challenging is it to get the classes you want?
- What do you do when you are not in class?
- What job opportunities are there on campus?
- How reliable is the WiFi on campus?
- What are the must-have items for a college freshman?
- Do you need a car to get around or is a bike sufficient?
- Are students required to be on a meal plan?
- What are the food options?
- How available are the professors during non-class hours?
- What is the best way to reach out to professor? (school email, discussion boards, other social media tools)
- What social media tools does the school use to communicate?
- What career counseling is available?
- What tutoring opportunities are available?

Is your child still unsure about what they want to major in? Being undecided can add to their time in college and how much money comes out of your wallet. Set up a complimentary strategy session to see how we can help. You can click [here](#) to schedule a time or call us at the number below.
